The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Fiscal Compliance Assessment and Contract Compliance Review of West Covina Group Corporation (the Group Home) in March 2014 and May 2015. The Group Home has one site located in San Bernardino County and provides services to the County of Los Angeles DCFS placed children and Probation foster youth as well as children from various other counties. According to the Group Home's program statement, its stated purpose is, "to help youths develop the skills and self-esteem which will enable them to become self-sufficient and productive persons in society."

The Group Home has one 6-bed site licensed to serve a capacity of six male children, ages 11 through 17. At the time of review, the Group Home served five DCFS placed children, and one San Bernardino placed child. The children's overall average length of placement was nine months, and their average age was 14.

**WEST COVINA GROUP HOME
CONTRACT COMPLIANCE REVIEW
FISCAL YEAR 2014-2015**

SCOPE OF REVIEW

The following report is based on a “point in time” visit. This compliance report addresses findings noted during the May 2015 review. The purpose of this review was to assess West Covina Corporation Group Home’s (the Group Home) compliance with its County contract and State regulations and included a review of the Group Home’s program statement, as well as internal administrative policies and procedures. The compliance review covered the following 10 areas:

- Licensure/Contract Requirements,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, four placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed each child and reviewed their case files to assess the care and services they received. Additionally, four discharged children’s files were reviewed to assess the Group Home’s compliance with permanency efforts. At the time of the review, two of four sampled children were prescribed psychotropic medication. The children’s case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed five Group Home staff files for compliance with Title 22 regulations and County contract requirements, and conducted a site visit to assess the provision of quality of care and supervision.

CONTRACTUAL COMPLIANCE

CAD found the following three areas out of compliance:

Licensure/Contract Requirements

- Special Incident Reports (SIR) were not timely submitted.

A review of SIRs revealed that the Group Home did not consistently follow SIR reporting guidelines. Three of the 12 SIRs reviewed were submitted late; an incident that occurred on May 25, 2015 was reported until June 1, 2015; an incident that occurred on May 7, 2015 was reported on May 16, 2015; and an incident that occurred on April 21, 2015 was reported until April 28, 2015.

PAGE 2

The Out-of-Home Care Management Division (OHCMD) provided technical assistance to the Group Home on June 3, 2015, to assist the Group Home with implementing their Corrective Action Plan (CAP) and provided SIR training.

- Community Care Licensing (CCL) citations.

CCL cited the Group Home for a complaint received on October 6, 2014. According to the report dated December 10, 2014, CCL substantiated a Personal Rights violation. CCL requested a Plan of Correction (POC), which included the Group Home conducting a review of personal rights, and approved emergency intervention techniques with all staff by December 29, 2014. The Group Home submitted a written POC to CCL stating the former staff involved was put on administrative leave and was terminated on October 14, 2014, and confirming completion of the training of its staff on December 22, 2014, December 26, 2014, and on October 23, 2015. CCL cleared the POC on April 11, 2016. This referral was investigated by a Department of Children and Family Services (DCFS) Emergency Response Children's Social Worker (ER CSW) and the General Neglect allegation Substantiated. DCFS Out-of-Home Care Investigation Section (OHCIS) requested a CAP and on March 12, 2015, OHCIS received and approved the Group Home's CAP.

Recommendations:

The Group Home management shall ensure that:

1. All SIRs are timely submitted.
2. The Group Home is in compliance with Title 22 regulations and free of CCL citations.

Maintenance of Required Documentation and Service Delivery

- County Children's Social Workers (CSWs) monthly contacts were not documented.

In all ten Needs and Services Plans (NSPs) reviewed, the County CSW's monthly contacts were not documented in the case file and were not included in the NSPs.

- Development of Initial NSPs was not timely.

Four Initial NSPs were reviewed and all were not timely developed. The children signed late and/or the dates were missing.

- Development of Updated NSPs was not timely comprehensive.

Although the updated NSPs were developed, 3 of 10 updated NSPs were not signed by the children. On one NSP, the dates on the goals remained the same as the prior NSP. For two NSPs reviewed, the Group Home did not timely obtain the County Social Worker's (CSW) authorization to implement the NSPs and two other NSPs were not sent timely with efforts to obtain the CSW's authorization to implement the NSPs was not documented.

During the exit conference, the Group Home representative stated that a new protocol was implemented to ensure that all parties are involved in the creation of goals and treatment plans, all CSW contacts are documented in the NSPs, and all NSP signature requests are timely and documented. A Group Home representative attended the NSP training provided by DCFS on May 8, 2015.

Recommendations:

The Group Home Management shall ensure that:

3. County CSW's monthly contacts are documented.
4. Timely initial NSPs are developed.
5. Timely, comprehensive updated NSPs are developed.

Personal Needs/Survival and Economic Well-being

- Children are not encouraged and assisted with a Life Book/photo book.

Two of the four children interviewed stated that the Group Home does not encourage and assist them in creating and updating a Life Book/photo book.

On October 14, 2015, CAD conducted a follow-up visit with the Group Home and completed a re-inspection of the minors' photo books which revealed that all minors have an appropriate Life Book/photo book.

Recommendation:

The Group Home Management shall ensure that:

6. Children are encouraged and assisted with a Life Book/photo album.

PRIOR YEAR FOLLOW-UP FROM DCFS CAD'S GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW

The Contract Administration Division's (CAD's) last compliance report, dated November 25, 2014, identified 11 recommendations.

Results:

Based on CAD's follow-up, the Group Home fully implemented 8 of 11 recommendations for which they were to ensure that:

- County CSW's authorization is obtained prior to the implementation of NSPs.

- Recommended assessments/evaluations are implemented.
- All school age children attend school as required and education goals are facilitated.
- All school age children are provided the appropriate education services to increase academic performance.
- All staff meet the education/experience requirements.
- All appropriate staff have timely health screenings and TB clearances.
- All staff have signed copies of Group Home policies and procedures in their file.
- All staff complete required training.

The Group Home did not implement three recommendations for which they were to ensure that:

- SIRs are appropriately documented, cross-reported, and submitted timely to all required parties via ITrack.
- The site maintains compliance with Title 22 regulations and free of CCL citations.
- Documentation of monthly contact with the County CSW is completed.

Recommendation:

7. The outstanding recommendations from the Fiscal Year 2013-2014 report dated November 25, 2014, which are noted in this report as recommendation numbers one, two and three are fully implemented.

At the exit conference, the Group Home representatives expressed their desire to remain in compliance with Title 22 regulations and Contract requirements.

On October 14, 2015, CAD conducted a follow-up visit and verified all children are encouraged and assisted in creating and updating a life book/photo book. SIRs and NSPs were reviewed and found to not be in compliance. Of the 26 SIRs reviewed, nine were submitted late. One initial NSP was reviewed and found to be signed late by all parties. Four updated NSPs were reviewed and all were found to have incomplete CSW contacts and late signatures with no documentation of the Group Home's efforts to obtain the CSW's signature. In one updated NSP, the Group Home documented their attempt to transport child to a visit in the Group Home contact with CSW section. The Group Home was reminded to fully implement their revised protocol, and to document the implementation. The Group Home will consult with OHCMD for additional support and technical assistance during this review period. CAD Contract Compliance will visit the Group Home to verify that the recommendations noted in this compliance report have been implemented during upcoming reviews.
